

# A STEP TOWARDS THE FUTURE OF HIA

A PACIFIC PERSPECTIVE

# Suggestions & Recommendations

- We need to be ready ourselves to take this on board and asks ourselves why we want to do this
- Build the Capacity of our people, identify champions to take the concept further.
- Networking/Strengthening Partnerships internally and externally.....

# Suggestions & Recommendations

- Need to be Strategic in our approaches – what suits us best????
- Localise and Legalise this concept.
- Integrate it into our Corporate Plans, Commitment of each countries – Sustainability, when funding from overseas runs out, then what???

# Suggestions & Recommendations

- International Family

- If all international family stand together, it can have an impact on the local settings and the strategic direction/facilitation of HIA in various PI countries

- Funding Obligations (Sector Wide Approach Programme)
