What did delegates say was the best aspect of IAIA13?

- "Experiencing a good fusion of academic enquiry, practitioner experience, and indigenous traditional knowledge."
- "Every session I went to had great value. It was great to see what is happening outside of my day-to-day work."
- "I was invigorated by the passion and commitment of practitioners."
- "As my first conference it was very motivational, and I gained valuable experience presenting as well as learning a lot from attending many presentations."
- "Excellent networking and opportunities for collaboration."
- "New tools, new books and new contacts: a perfect combination for improving my work."
