

SESSIONS SPECIAL TO IAIA

Meet the Editors: An interactive workshop

Format: Workshop

Convener(s): William Ross

Come and meet the editors of leading IA journals, including the editors of IAIA's own *Impact Assessment and Project Appraisal* (Angus Morrison-Saunders and Francois Retief). The editors will give advice to IAIA members and potential contributors of papers about the process of writing and submitting journal articles, including the process of dealing with reviewer comments, being a reviewer, and how the publishing process works. It is all about what IAIA members need to know and provides the opportunity to meet the editors and ask questions about the mysteries of publishing a journal article.

IAIAConnect

Convener(s): IAIA HQ

Join us if you would like to learn more about IAIA's professional networking site and how it can benefit you. Bring your questions, and we will walk through online discussions, sharing resources, and finding other members with similar interests. We can even take your photo and upload it to your profile! IAIAConnect will be demonstrated at a during coffee breaks.

IAIA Affiliates forum

Format: Workshop

Representatives from IAIA's Affiliates will give short presentations followed by questions and discussion.

Other Affiliates will assist and participate with their ideas during additional discussion. Everybody is invited; we encourage you to join us if you intend to create an Affiliate in your country/region, in order to know more about IAIA Affiliates and Branches.

Posters are also being displayed by many of the Affiliates. Plan to stop by during the poster session to visit with representatives of the Affiliates and learn more about their organizations and activities!

POSTER SESSION

Posters are a creative and popular alternative to the oral presentation of a paper. In a poster session, there is no formal oral presentation; instead, each author is assigned a display area on which diagrams, graphics, pictures/photos, and a small amount of text are presented. Posters will be on display throughout the conference and are generally self-explanatory, but IAIA also dedicates a block of time for delegates to view the posters and visit directly with the authors.
