PRE-CONFERENCE TRAINING COURSES INCLUDING #11 TOWARDS SUSTAINABLE OIL & GAS PROJECTS

COURSE DESCRIPTION

Course #11 Towards more Sustainable Oil and Gas Sector Projects. This is a 2-day course (2-3 April). This master class is for intermediate-level environmental and social impact assessment (ESIA) practitioners who want to learn more about the oil and gas (O&G) sector, including conventional and unconventional (shale) O&G projects. The training will build on the participants' knowledge of the ESIA process, provide them with a foundation of environmental and social issues specific to O&G projects, and enhance their ability to leverage ESIA's towards more sustainable O&G developments.

GOALS AND LEARNING OUTCOMES

Review the O&G development cycle and likely impacts and mitigation measures for hydrocarbon development projects including conventional and unconventional projects. Identify linkages between the O&G development cycle and the ESIA core components – and opportunities for decision making; and Increase participants' level of confidence with ESIA's in the O&G sector through case studies and participant questions.

FEES

IAIA's courses cost US\$475 for the 2-day courses, and US\$275 for the 1-day courses. The course fee includes course materials, light lunches, and coffee breaks. Participants in the training courses who are not registered for the IAIA conference will be assessed an additional US\$75 fee. **Pre-registration and prepayment by 15 March 2017 is required.**

Why train with IAIA?

IAIA is the International Association for Impact Assessment, organized in 1980 to bring together researchers, practitioners, and users of various types of impact assessment from all parts of the world. IAIA involves people from many disciplines and professions. Our members include corporate planners and managers, public interest advocates, government planners and administrators, private consultants and policy analysts, university and college teachers and their students. IAIA has members from over 120 nations.

For 36 years IAIA has been holding annual conference events and training courses all over the world to promote best practices in impact assessment.

With IAIA training courses, participants will have a chance to connect to a global network of impact assessment practitioners and exchange information and experience with other practitioners from around the world.

Pre-registration and pre-payment by 15 March are required for all training courses.
