PRE-CONFERENCE TRAINING COURSES INCLUDING #6 CUMULATIVE EFFECTS & FOLLOW-UP IN IA

COURSE DESCRIPTION

Course #6 Cumulative Effects and Follow-Up in Impact Assessment. This 2-day course (2-3 April) summarizes the state of professional practice regarding cumulative effects assessment and management (CEAM) within EIA processes; demonstrates fundamental requirements for cumulative effects assessment for a proposed industrial project in Canada; illustrates environmental sustainability considerations for the significance of cumulative effects; discusses adaptive management and monitoring as follow-up activities for large-scale proposals; and summarizes policy choices and collaboration approaches for the development of local and regional cumulative effects mitigation and management initiatives.

GOALS AND LEARNING OUTCOMES

Practical processes for both preparing and reviewing CEAM-related documents will be emphasized, along with presentations on selected case studies and workshop sessions involving interactive groups. Practical discussions will be incorporated by the professional participants and presented to the entire class.

FEES

IAIA's courses cost US\$475 for the 2-day courses, and US\$275 for the 1-day courses. The course fee includes course materials, light lunches, and coffee breaks. Participants in the training courses who are not registered for the IAIA conference will be assessed an additional US\$75 fee. **Pre-registration and prepayment by 15 March 2017 is required.**

Why train with IAIA?

IAIA is the International Association for Impact Assessment, organized in 1980 to bring together researchers, practitioners, and users of various types of impact assessment from all parts of the world. IAIA involves people from many disciplines and professions. Our members include corporate planners and managers, public interest advocates, government planners and administrators, private consultants and policy analysts, university and college teachers and their students. IAIA has members from over 120 nations.

For 36 years IAIA has been holding annual conference events and training courses all over the world to promote best practices in impact assessment.

With IAIA training courses, participants will have a chance to connect to a global network of impact assessment practitioners and exchange information and experience with other practitioners from around the world.
