Mobile app

Experience IAIA conferences in a whole new way!

The mobile app is available from 2 May 2018.

All delegates registered by 20 April received an invitation email to download the app.

If you didn't receive the email:

1. Visit https://crowd.cc/iaia18 (Desktop or Mobile Web) or https://crowd.cc/s/1mH9O (Apple or Android)
2. Download the CrowdCompass Attendee Hub.
3. Search for IAIA18 as an event.
4. Log in using "iaia18durban" as the password.

You must be a registered attendee to be able to view the restricted portions of the app such as attendee and speaker contact details.

Keep important parts of the conference at your fingertips.

Use the **Desktop Portal**, the **Mobile App**, or both to:

» Help others find you—complete your profile and upload a photo.

» Search for sessions, speakers, and attendees.

» Select your favorite sessions and create your personal agenda.

» Download speaker handouts.

» Take notes and send them to yourself.

» Use the interactive map function to find rooms.

» Receive instant notifications of program changes on-site.

Take your changes with you—data syncs between your desktop and mobile versions.

DON'T HAVE A SMARTPHONE? No problem. Use the app on your laptop or iPad.

Access information not included in the final program:

- About conference sessions
- Contact us
- Speaker tips
- General information about IAIA18
- Durban info
- Technical visits

SHARE WITH PHOTOS

Individuals who are attending technical visits are encouraged to take photos and send them to Headquarters staff for posting on IAIA's Facebook page and other uses. Please identify the name of the technical visit, the individuals pictured, and the photographer, and send your photo(s) to info@iaia.org.

If you are posting IAIA18 photos on your Instagram, Facebook, or Twitter account, please tag #iaia18 so the photos can be collected and shared throughout IAIA as well. You can share your photos on the Activity Feed of the IAIA18 app, too!

LIVE TWITTER FEED #IAIA18

Are you keen to share your thoughts on a presentation or reflect on the day's events? Conference participants are encouraged to tweet throughout the event on the hashtag **#iaia18**.

INTERNET ACCESS

Free wifi is available in the meeting rooms and public spaces of the ICC.

VIDEO/AUDIO POLICY

To foster sharing of information and open discussions, IAIA encourages presenters and panelists to speak freely and respectfully share their knowledge and experiences. During technical sessions, individuals are not permitted to record with personal audio or visual equipment or other recording devices such as cell phones, cameras, or recorders, without permission from the speaker.

Any media attending the event will be designated with a "MEDIA" name tag. Media will be allowed to take photographs, notes, and interviews, but video/audio recording by media will be allowed only during the opening and closing plenaries. Any recording by media during technical sessions requires prior permission from the speaker.

By attending the conference, you agree to allow your image to be used by IAIA.

As a courtesy to all speakers and to help reduce disruptions, we kindly ask that you remain in the session you're attending for all presentations. Thank you for your consideration.
