Abstract Successfully Submitted

Thank you for your interest in IAIA19! Your abstract submission has been received. Please read the following information carefully, mark your calendar with important dates and deadlines, and save and/or print this message.

Check your submission for accuracy! In particular, please check the following:

- Is your name spelled correctly?
- Is your contact information complete and correct, with no typos in your e-mail address?
- Is the title of your presentation complete? If not, it has exceeded the character limit. Please enter a shorter title.
- Is your abstract complete? If not, it has exceeded the word limit. Please edit your abstract to meet the word limit.
- Is your summary statement complete? If not, it has exceeded the word limit. Please edit your summary statement to meet the word limit.

To make changes to your submission, go to http://conferences.iaia.org/2019/abstract/.

It is your responsibility to make any corrections online or send questions about submissions to HQ before 19 October 2018, so that we can help you make the changes on time.

If your text exceeds the character or word limit and you do not correct it by 19 October, it will be edited on your behalf.

Making changes to your submission
To edit your submission, use the “Login” link from the confirmation of submission e-mail you received when you submitted your abstract.

Updates or changes will be accepted until 19 October. Changes will not be accepted after 19 October, as reviews begin immediately following the close of submissions and your abstract may not be changed during or following the review period.

**Communications from IAIA**

Please set your spam filter to accept messages from “@iaia.org” and “IAIAweb.” IAIAweb is the address of the server that sends messages from the program committee to you via our online submission and review database, so do not reply to it.

Please take note of the notification deadlines. If you are not receiving confirmation or other notices from IAIA via email when you should, please check that the e-mail address you submitted is correct and that your spam filter is not blocking messages. If you are still not receiving expected communications after checking your address and spam filter, it is your responsibility to let us know so that we can assist you in time to ensure that you remain on the program.

**About acceptance notification**

You will receive an e-mail from a program committee member or your session chair regarding your abstract’s acceptance status by 21 November.

If you have not received an e-mail notifying you of the status of your submission by 21 November, please contact jen@iaia.org with your name and the title of your submission. Please be sure you have followed the instructions above in “Communications from IAIA” before contacting us.

**If your abstract is accepted: Notification of presentation time**

If your abstract was accepted, your session chair will contact you between 28 March – 5 April 2019 to provide you with the schedule, including the date and time of your presentation, the amount of time you will have to speak, and other final information and instructions. If you have not received an e-mail from your session chair with this information by 5 April, please notify jen@iaia.org with your name and the title of your submission.
Please note that individual requests for specific presentation dates and/or times cannot be addressed due to the very large number of presentations and other factors that the program committee must consider when scheduling the overall program.

**Presenting author registration**

Presenting authors are required to register and pay fees by 25 January 2019. At that time, your presentation will be dropped from the program if you are not yet registered with fees paid in full. If you have extenuating circumstances which would require later payment, please contact the conference registrar at info@iaia.org to make arrangements before 25 January.

The presenting author must attend and present the paper or poster at the conference in order to be included in the program and proceedings.

**Funding and visa application**

You are responsible for arranging your own funding; IAIA does not have funds available to pay registration or travel expenses.

You are encouraged to begin planning for funding and visa arrangements now, as the processes can sometimes take several months.

**Presenting author substitutions**

Changing or substituting the presenting author is permitted until the presenting author registration deadline of 25 January. You may make this change yourself through 19 October (see above instructions for making changes to your submission). Between 20 October and 25 January, send changes to jen@iaia.org; include your name and the title of your presentation with your request.

The substitute must be registered for the conference at the time of the substitution, must be an original co-author, must not exceed the 2-session per person rule, and will be listed as the presenting author in conference documents.

No changes to the presenting author may be made after 25 January. If the original presenting author is unable to attend and make the presentation after 25 January, the presentation will be removed from the program.

**Number of submissions**
Please keep in mind that participation as a chair/co-chair or speaker/presenter is limited to two sessions per person. If your name is attached to more than two sessions as a session chair/co-chair or as a presenting author, only your first two submissions will be considered. Additional submissions and/or your name will be dropped from the program without further notice.

Optional Paper Submission
If your submission is accepted, you will be encouraged to submit an optional discussion paper. If you wish to participate, you would prepare a 5-page paper, which will be posted online prior to the conference to begin discussion. The discussion paper would be due 27 February and would be available online prior to the conference for people to review, and following the conference as part of conference proceedings.

Additional specific preparation instructions will be provided with your acceptance notification.

A note about deadlines
Please respect deadlines, as they are firm. NO exceptions will be made. Please mark your calendar with important conference dates and plan so that your activities take place well before deadlines to avoid unforeseen or unavoidable delays in your schedule, to avoid server overloads or technical problems, and to give HQ and Program Committee members time to help you if needed.

Preliminary program and registration materials
The preliminary program is posted online, and updates will be provided as the program develops.

Registration will open approximately 1 October.

Thank you!
We look forward to seeing you in Brisbane!
