

HIA for Economic Zones in the Greater Mekong Subregion

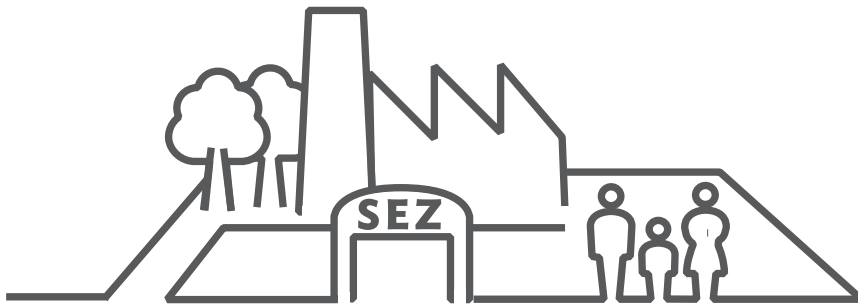

Dr. Janis Shandro, ADB Consultant

A HEALTH IMPACT ASSESSMENT FRAMEWORK FOR SPECIAL ECONOMIC ZONES IN THE GREATER MEKONG SUBREGION

MAY 2018

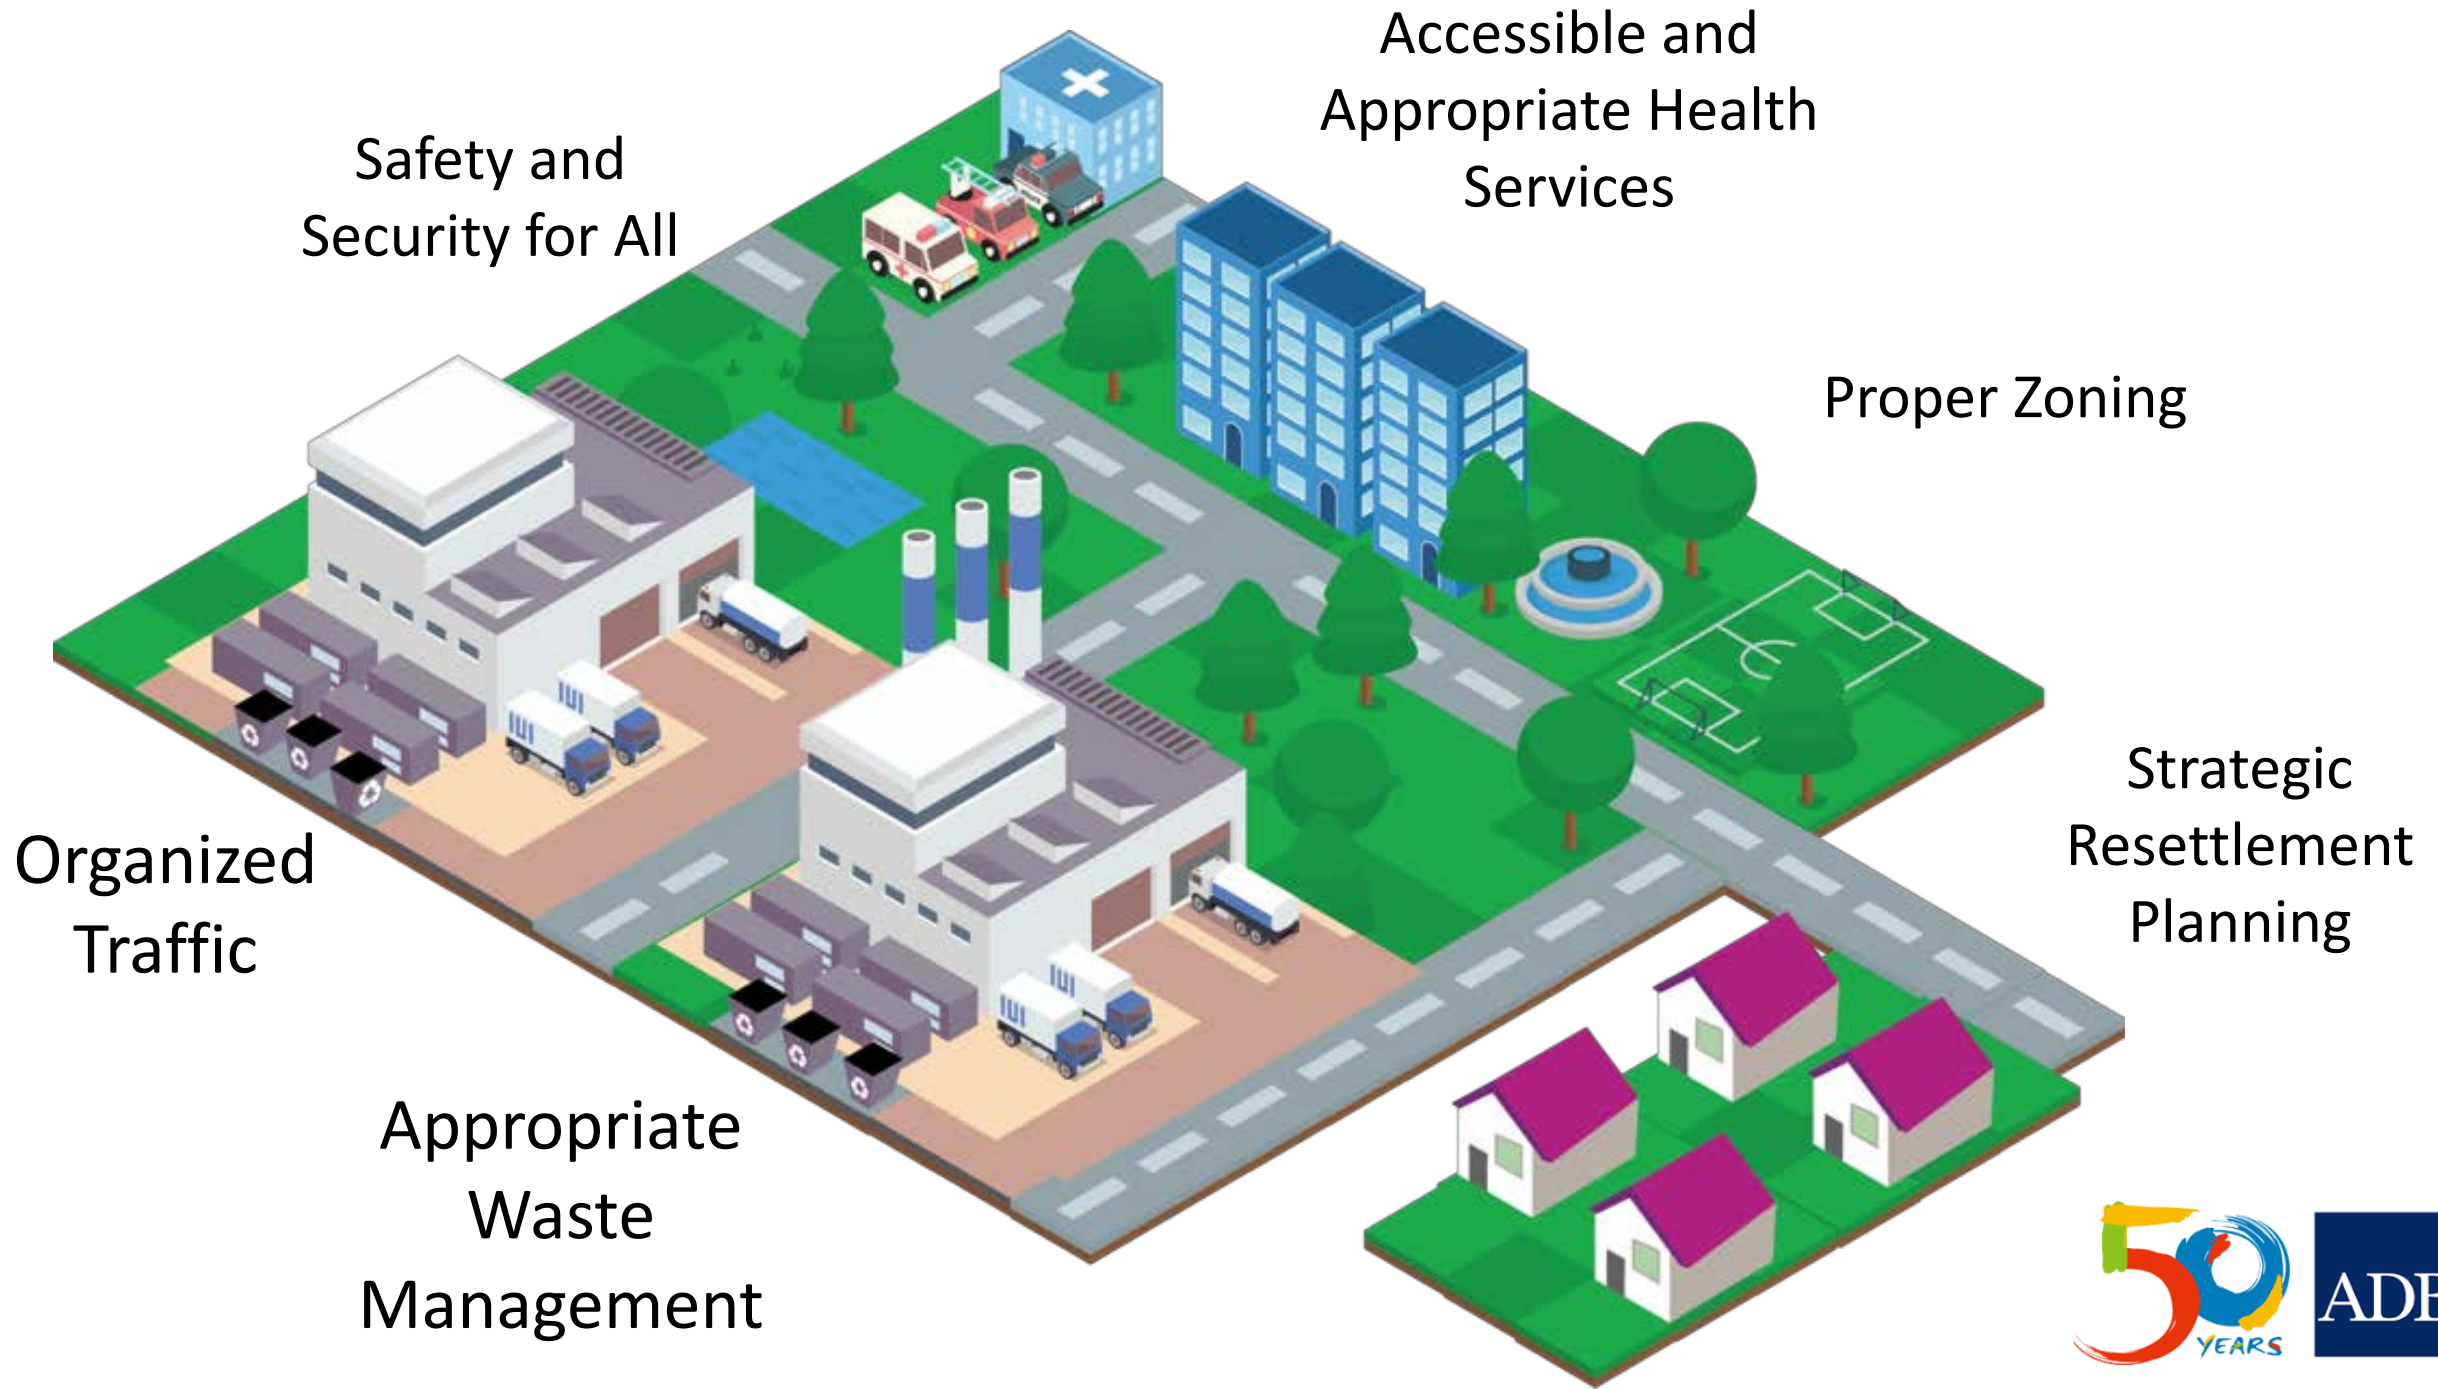

A Shared Vision

Places where **national and international** businesses can operate with **excellent environmental and social performance**

Places where workers and community members are safe and healthy

Safety and Security for All

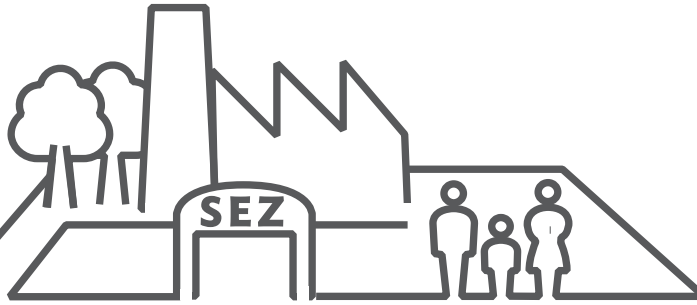

Accessible and Appropriate Health Services

Proper Zoning

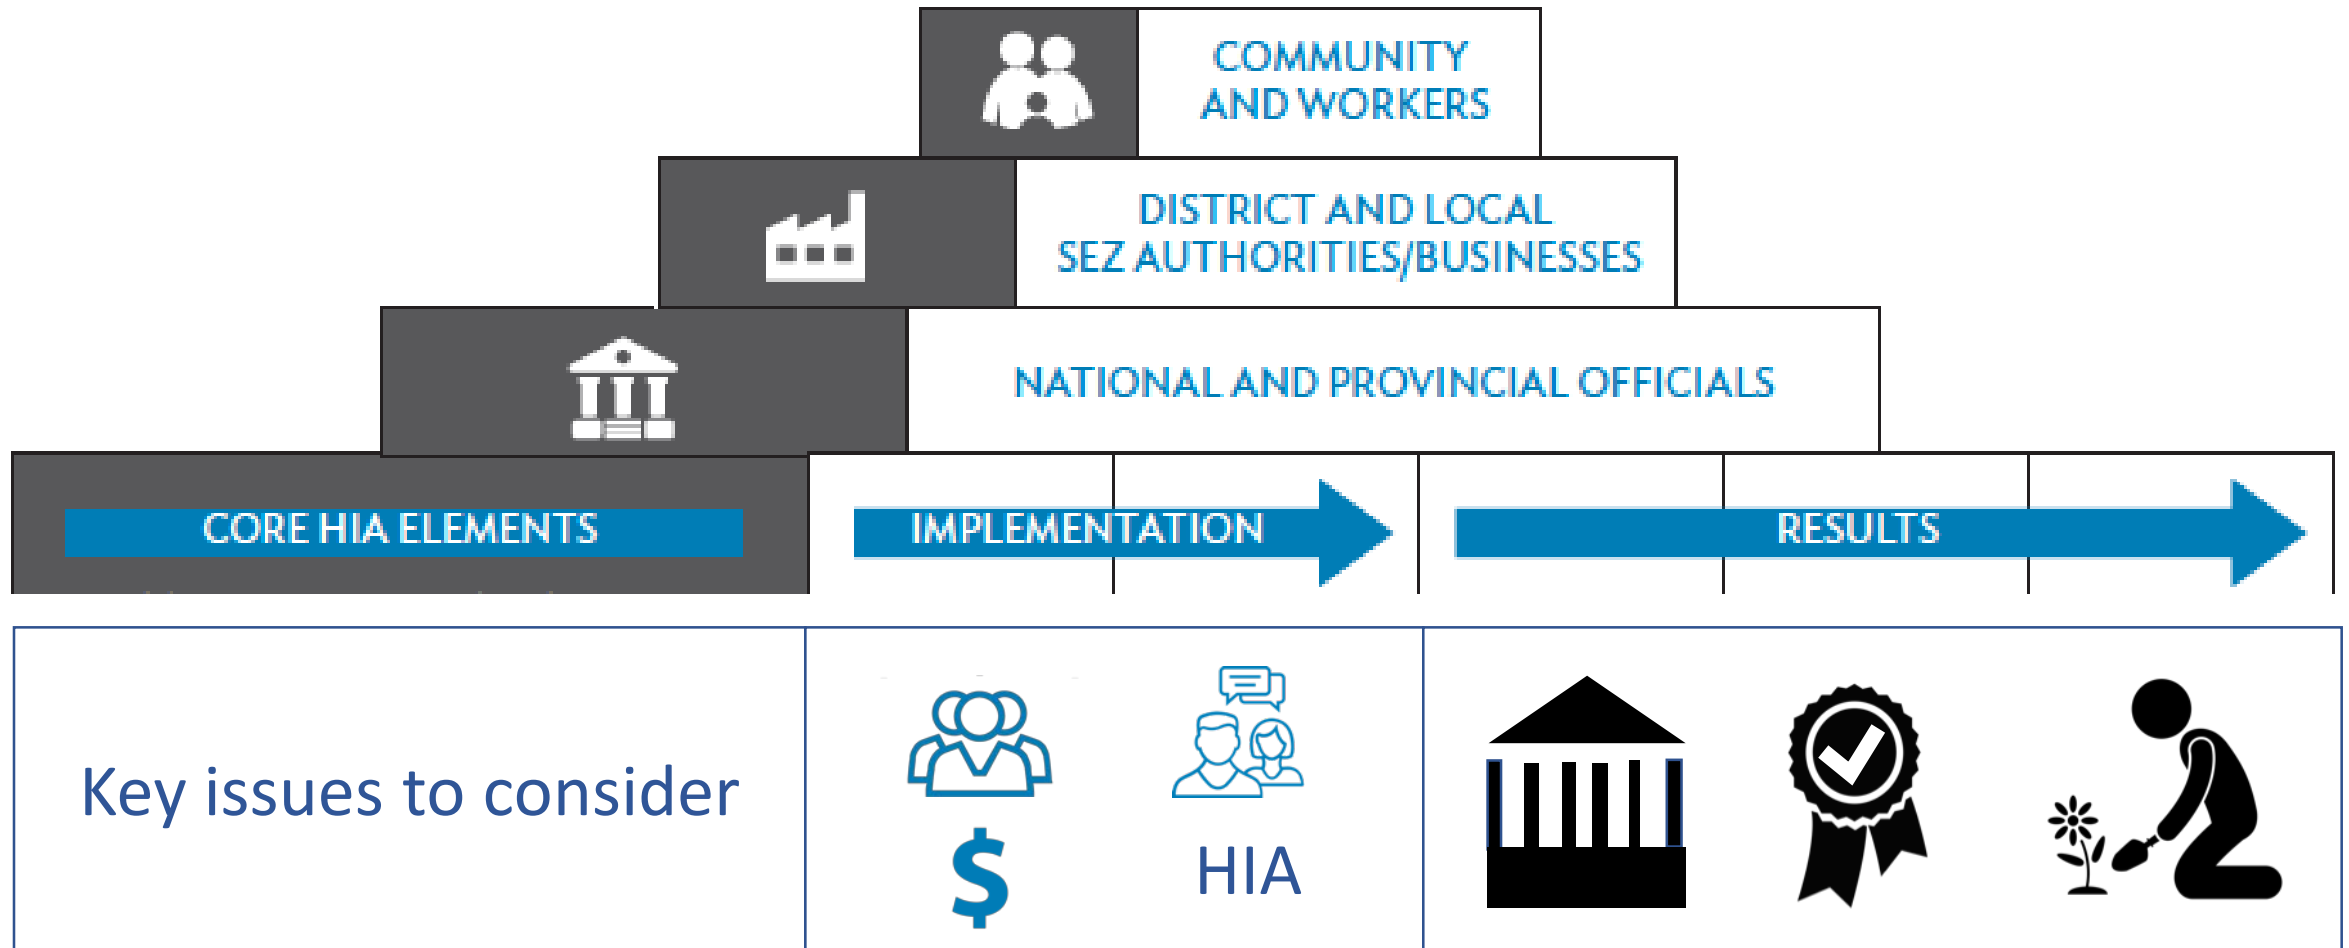

Strategic Resettlement Planning

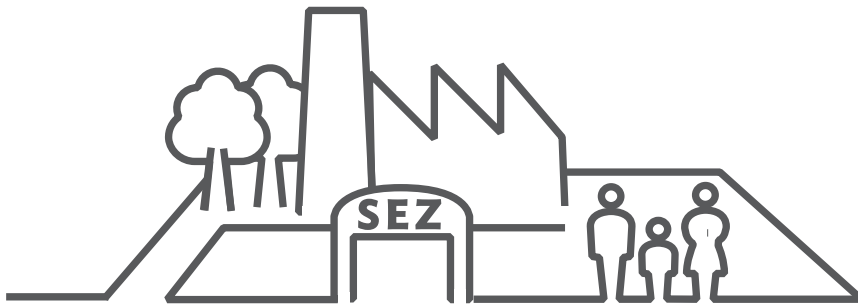

Organized Traffic

Appropriate Waste Management

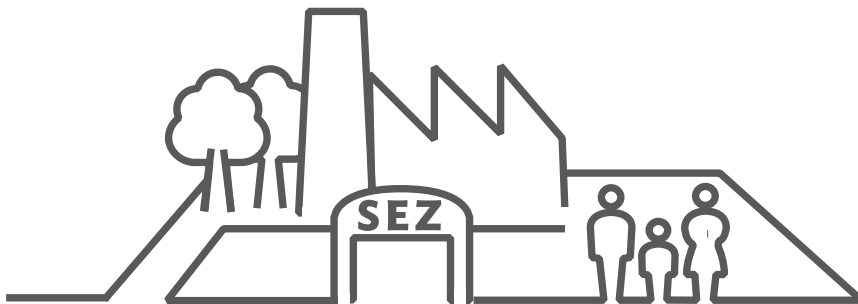

Health Framework for Economic Zones

A Systematic Process

EZ Health Management

Multi-disciplinary

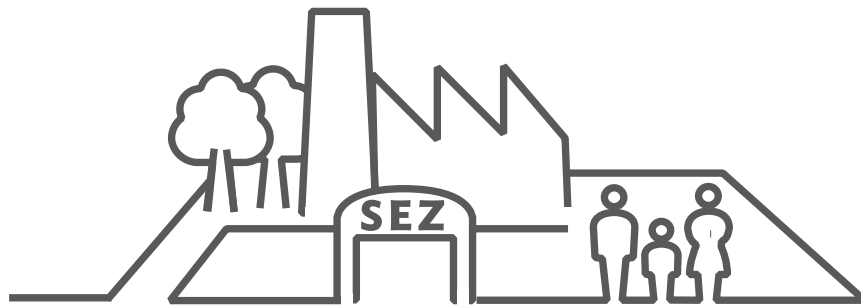

Safe

Unsafe

Core Concepts of Framework

- ✓ NOT about halting EZ development
- ✓ Maximizing social and economic prosperity for people and businesses
- ✓ Effective economic zone management support tool
- ✓ Focused primarily on areas supporting EZ development rather than individual EZ businesses or contained EZ areas
