• Currently – Environment Manager for Haisla Nation Council
The Haisla Origin Story
Oct. 20, 2021 at 10:26 a.m. PDT

Retrace the steps of the very first Haisla in this telling of the Nation's origin, complete with some beautiful animation and narrated by Teresa Windsor.

Eurocan Pulp & Paper Mill,” Kitimat Museum & Archives Collections, accessed May 4, 2022,
http://search.kitimatmuseum.ca/items/show/4221
https://www.bridgemans-services.com/our-projects/kitimat-modernization-project/
The British Columbia project would be the only indigenous-owned LNG export facility in the world.

Let’s continue the conversation!
