Introduction and Objective of the Discussion

- Introduction to ODC's role in providing technical support to the EIA department of the Ministry of Environment in Cambodia.
- To provide an update on the progress and development of SEA in Cambodia and learn from experts in the field.

SEA Progress in Cambodia

- Overview of the progress made in SEA development in Cambodia since ODC's involvement
- Key achievements, challenges, and lessons learned
- Examples of positive SEA development and implementation in Cambodia

Learning from Experts

- Discussion on SEA in the Mekong region
- Insights and best practices from experts in the field
- Opportunities for collaboration and knowledge sharing among participants and organizations working on SEA

Let's continue the conversation!
