

## **Canada Climate Change and Environmental Assessment**

Dean Stinson O’Gorman

[dean.stinsonogorman@ceaa-acee.gc.ca](mailto:dean.stinsonogorman@ceaa-acee.gc.ca)

Summary: A brief exploration of the role of climate change considerations in the federal environmental assessment process in Canada. What guidance exists, how has it been used, and what are some potential directions for improvement in the future?
